- Board of Appeal meeting – The board will provide a call-in link for residents not in the area and want to participate in the meeting.

- Community Garden – The clerk mentioned that the Community Garden committee is looking for a new place for a community garden and asked if the township board would be interested in hosting this project. Harwig will following up on this information and report back to the board.

Planning Commission
- Doboszenski variance – They submitted an application to construct a residential addition with a reduced setback from Woman Lake of 60’ and reduce the setback to a harbor of 32’. The Wabedo Township planning commission recommended approval of this variance.

It was determined that the 5th wheeler would be removed each winter. The variance was approved by Cass County Planning Commission, but this does not meet the requirements that the Wabedo Township Planning commission recommended.
